**A orillas del pasado (Mira) (Spanish Edition)** By SUSAN WIGGS

La reformadora inmobiliaria Olivia Bellamy accedió de mala gana a regresar al campamento de su familia en las montañas Catskills, donde su trabajo consistiría en poner a punto las instalaciones abandonadas para que sus abuelos celebraran allí sus bodas de oro. El campamento Kioga siempre había sido un destino de ensueño, pero su situación actual era tan lamentable que Olivia se vio obligada a contratar los servicios de Connor Davis, el que fuera su amor platónico durante los veranos que habían pasado juntos en aquel lugar. Sin embargo, a medida que los días se hacían más calurosos, ni siquiera las frescas aguas del lago Willow podían enfriar las pasiones ocultas ni acallar los secretos más tórridos. Los recuerdos de las vacaciones pasadas inspiraban nuevas promesas en aquel mágico entorno. Promesas que podrían perdurar más allá del verano.
