From the Publisher

Systematic theology can be an intimidating subject to tackle. But Bible Doctrine makes it accessible to students and laypersons who want to understand more about the Bible, God, Jesus Christ, the Holy Spirit, Mankind, Redemption, the Church, and the Future. An abridgment of Grudem's classic text, Systematic Theology, this book meets a need expressed by many who value his scholarship and writing ability but want a theology book that is understandable on a non-graduate-student level. Thorough without being overbearing, Bible Doctrine is a user-friendly book that covers all the main topics in systematic theology.
