## **Editorial Review**

### Review

'It [Capitalism] does a better job of bringing together all the key issues facing today's global economy than any other book I've read... a delight to read.' - Tim Montgomerie, The Times; 'In this thoughtful and stimulating intervention, John Plender [...] offers a tour d'horizon of the debate, enlivened by a deep knowledge of the global economy and an interest in history, together with an open-minded willingness to place capitalism on the scales of justice and see which way they tip.' - David Priestland, Financial Times; 'Plender is neither dogmatic nor prescriptive; if you like to read something that furnishes ideas for debate, then this book is for you.' - CapX; '[John Plender] approaches the quandaries of capitalism with a shrewd eye for detail.' - The Economist
