Flying Star Feng Shui: Change Your Energy; Change Your Luck (NONE)

By Stephen Skinner

***Flying Star Feng Shui* adds a new "time dimension" to Feng Shui practice.**

This school of Feng Shui reflects the fact that the subtle energies present in our living environment are constantly changing. The flying star combinations make it possible to respond to—or prepare for—these changing energy "situations." These methods produce rapid results and can both shorten periods of bad luck, while initiating or prolonging periods of good fortune.

Everyone knows that rearranging a room or renovating a house gives it a totally different feel—and can have a wonderful uplifting effect on the people living in it. The ancient Chinese understood that this change wasn't just psychological, but reflected changing flows of life energy (*ch'i*) within the space. They developed the art of Feng Shui to take advantage of these energy flows—making it possible to improve the quality of one's life by changing the shape and position of a landscape or house.

These concepts have previously been available only from a few untranslated or highly technical sources. Author Stephen Skinner has a international reputation as a populizer of Feng Shui concepts for Western readers. In *Flying Star Feng Shui* he introduces one of the most effective and popular aspects of Feng Shui.
