Management Gurus, Revised Edition By Andrzej Huczynski

Management gurus have existed for as long as the leaders of large, complex organizations have had intractable problems to solve. This seminal text asks key questions such as: What is the secret of the success of management gurus and how can it be emulated?

In this revised edition, Andrzej Huczynski brings his analysis of gurus into the twenty-first century. He identifies the essential ingredients of popular management ideas and contends that company managers, business school academics and management consultants all have the possibility of attaining guru status by following the guidelines contained in this book. It includes an additional chapter by Brad Jackson (Department of Management and Employment Relations, The Auckland University Business School, New Zealand) and Eric Guthey (Department of Intercultural Communication and Management, The Copenhagen Business School, Denmark).

Management Gurus is a must read for all those studying organizational behaviour, leadership and organizational psychology or for those who wish to attain guru status.

Editorial Review

Review

'... A very welcome edition. In an exhaustive overview Huczynski tackles the enigma surrounding the continuing popularity of management gurus' ideas despite their limitations and short-lived nature. With new chapters positioning the book within the stream of research it inspired, this remains an invaluable analysis and a thought-provoking read.' - *Timothy Clark, Durham University, UK*

About the Author

Andrzej Huczynski is Senior Lecturer in the School of Business and Management at the University of Glasgow in Scotland. His current research, teaching and consultancy interests are focused in the field of influencing skills.

Users Review

From reader reviews:

Terry Dansby:

Book is to be different per grade. Book for children until eventually adult are different content. We all know that that book is very important for us. The book Management Gurus, Revised Edition seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide Management Gurus, Revised Edition is not only giving you considerably more new information but also being your friend when you experience bored. You can spend your own spend time to read your book. Try to make relationship with all the book Management Gurus, Revised Edition. You never feel lose out for everything when you read some books.

Floyd Lipp:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. Often the Management Gurus, Revised Edition is kind of guide which is giving the reader erratic experience.

Betty Williams:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Can be reading a book might be option to fill your no cost time/ holiday. The

first thing you will ask may be what kinds of book that you should read. If you want to try out look for book, may be the publication untitled Management Gurus, Revised Edition can be excellent book to read. May be it could be best activity to you.

James Martin:

Do you have something that you want such as book? The guide lovers usually prefer to opt for book like comic, small story and the biggest one is novel. Now, why not striving Management Gurus, Revised Edition that give your pleasure preference will be satisfied by means of reading this book. Reading routine all over the world can be said as the way for people to know world a great deal better then how they react when it comes to the world. It can't be explained constantly that reading habit only for the geeky man or woman but for all of you who wants to be success person. So , for all you who want to start studying as your good habit, you could pick Management Gurus, Revised Edition become your starter.
