Queen Elizabeth I, aka Betsy Taylor, is adjusting to life after death as a vampire, but she still needs a job. To satisfy her lust for sexy shoes, she lands one in Macy's, but one night she is attacked by zit-remedy-scented slayers who are targeting female vampires. While trying to find out who is behind the plot, she befriends an adolescent gang called the Blade Warriors and the kindly priest who leads them. Betsy's unwanted consort, sexy Eric Sinclair, king of the vampires, doesn't know how to deal with a vampire queen who sneezes at holy water and wears a cross around her neck, and a charming subplot involving a mysterious five-year-old girl in saddle shoes adds poignancy to this wickedly clever and amusing romp. Davidson's witty dialogue, fast pacing, smart plotting, laugh-out-loud humor, and sexy relationships make this a joy to read. And Betsy's second adventure, following her debut in *Undead and Unwed* [BKL Mr 15 04], will have readers begging for more. *Diana Tixier Herald*
