Unseen Realities: Heaven, Hell, Angels and Demons By R.C. Sproul

The concept of the invisible spiritual realm is something which is difficult for us to grasp. What we can see, hear, and feel we can take on face value that it is reality. But what about those things that are unseen? Scripture speaks about heaven, hell, angels and demons which are a part of this invisible spiritual realm. Internationally renowned Bible teacher R. C. Sproul helps us gain an understanding of these things so that we can come to a realisation that in fact all four are true realities that impact upon our everyday lives.

Editorial Review

Review

"I believe that if we are to be consistent Christians, believing all of the Bible rather than portions of it, we must recognize that the supernatural places and beings described on its pages are real. There is an uncompromised supernaturalism at the heart of the Christian worldview, and we must not let the world's scepticism with regard to these things affect our belief systems. We must trust and affirm that there is much more to reality than meets the eye."
