Foreplay: The Ivy Chronicles By Sophie Jordan

Pepper has been hopelessly in love with her best friend's brother, Hunter, for, like, ever. He's the key to everything she's always craved: security, stability, family. But she needs Hunter to notice her as more than just a friend. Even though she's kissed exactly one guy, she has the perfect plan to go from novice to rock star in the bedroom: take a few pointers from someone who knows what he's doing.

Her college roommates have the perfect teacher in mind. But bartender Reece is nothing like the player Pepper expects. Yes, he's beyond gorgeous, but he's also dangerous and deep—with a troubled past. Soon what started as a lesson in attraction is turning both their worlds upside down, and showing them just what can happen when you go past foreplay and get to what's real. . . .

Editorial Review

From [Booklist](#)

All Pepper needs is a little experience. Ever since she was a teenager, she has been in love with Hunter, the brother of her best friend, Lila, but he thinks of her as merely a good friend. When Pepper discovers that Hunter has just broken up with his longtime girlfriend, she realizes that if she wants to hook up with Hunter, it is now or never. The problem is that Pepper has kissed exactly one boy in her entire life. Of course her friends have a solution to her problem: Reece, a hottie bartender at Mulvaney's, whose romantic reputation is legendary. All Pepper needs to do is get Reece to give her a few lessons in seduction, and she can apply what she learns to finally land Hunter. At least that is the plan until Pepper discovers that she might be falling for her new teacher. A best-selling author of historical romances and the YA Firelight series, Jordan makes her new-adult romance debut with a sexy love story that perfectly captures both the flirtatiously fun and emotionally tormenting aspects of college romances. --John Charles

Review

"Sophie Jordan weaves captivating stories of intense yearning, undeniable heat and heaping helpings of swoon... Every. Time." (Tammara Webber, New York Times Bestselling Author of Easy)

"A sexy, sweet love story that lingers with you long after you read that last line." "Sexy and sweet, you will fall in love with Reece right along with Pepper." (Jennifer L. Armentrout/ J. Lynn, #1 NYT and USA Today Bestseller)

"Fun and Flirty-- Foreplay was the perfect read! (Cora Cormack, NYT Bestseller)

"Reece is like any good cocktail: strong, tempting and dangerous in large quantities. Having a guy like him behind the bar is sure to lead to a great time. I thought so and I'm sure you will too." (Jay Crownover, bestselling author of RULE)

"A fun and flirty read, let Reece teach you why FOREPLAY is the best part." (Lisa Desrochers, author of A LITTLE TOO FAR)

Jordan makes her new-adult romance debut with a sexy love story that perfectly captures both the flirtatiously fun and emotionally tormenting aspects of college romances. (Booklist)

"[A] passionate, compelling story that captures the confusion and giddiness of young-adult romance and sexual experimentation.....[I]n Jordan's expert hands, [readers] are given a sexy, textured and satisfying ride. An affecting, successful foray into the new-adult genre." (Kirkus Reviews)

A gratifying story that is also hard to put down, Jordan's series starter sets a high bar for new adult. (Library Journal (starred review))

About the Author

Sophie Jordan grew up on a pecan farm in the Texas hill country, where she wove fantasies of dragons, warriors, and princesses. A former high school English teacher, she's also the *New York Times* bestselling author of Avon historical romances and the Firelight series. She now lives in Houston with her family. When she's not writing, she spends her time overloading on caffeine (lattes and Diet cherry Coke preferred), talking plotlines with anyone who will listen (including her kids), and cramming her DVR with true-crime and reality-TV shows.

Users Review

From reader reviews:

Merideth Davis:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your spare time?
