### Tales from the Western Generation: Untold Stories and Firsthand History from Karate's Golden Age By Matthew Apsokardu

Every generation wonders about the exploits of the brave men and women who have gone before them. As the deeds of old masters are recounted, we are destined to ask - what kind of people were they? What were their goals and philosophies? What would they think about our efforts to preserve and grow the art of karate?

This book seeks to answer some of those questions by encapsulating over 30 original interviews with senior karateka who experienced the old ways of karate for themselves and helped bring it to the Western world.
