Taming the Drunken Monkey: The Path to Mindfulness, Meditation, and Increased Concentration By William L. Mikulas Mikulas

In today's busy world, the mind can often behave like a drunken monkey?stressed, scattered, and out of control. Instead of falling victim to frustration and anxiety, learn to be calm, focused, and free of unwanted thoughts with this easy-to-use guide to mindfulness.

Drawing from Western and Eastern psychology, health systems, and wisdom traditions, *Taming the Drunken Monkey* provides comprehensive instruction for developing and improving three basic behaviors of the mind: concentration, awareness, and flexibility. Discover the power of breathwork exercises based on yogic pranayama, Chinese medicine, and Western respiratory science. Apply meditation and other mindfulness practices to your life for newfound focus, creativity, body awareness, and spiritual awakening. As you progress from novice to master, you'll effectively enhance the health of your mind, body, and spirit.

Praise:

“A wonderful addition to our understanding of the mind and the unfolding journey of discovery.”?Joseph Goldstein, author of *Mindfulness: A Practical Guide to Awakening*

“In fluid and engaging prose, William Mikulas has written a book that provides a wise and delightful guide to living a mindful life . . . a helpful, systematic and very practical guide that presents numerous insights and exercises for personal transformation.”?Nirbhay N. Singh, editor of *Mindfulness* journal

“This book is brimming with wise and compassionate council for everyone from beginner to advanced practitioner . . . Whether you are interested in quieting your mind, increasing awareness, reducing attachments or opening the heart, you will find just what you need as you continue on your path towards awakening.”?Michael Brant DeMaria, PhD, clinical psychologist and author of *Ever Flowing On*
