**The Risen: Dialogues of Love, Grief & Survival Beyond Death: 21st Century Reports from the Afterlife Through Contemplative, Intuitive, and Physical Mediumship** By August Goforth, Timothy Gray

**ALSO AVAILABLE AS A KINDLE EDITION.**

Over seven years in the making, this book was written at the bequest of *The Risen Collective*, which has been the primary force behind its orchestration. The Collective is composed of over 1,500 non-terrestrial beings, plus inestimable devas of various ranges of intelligence, status, self-awareness, and time-spans.

Subtitled *21st Century Reports from the Afterlife Through Contemplative, Intuitive, & Physical Mediumship*, this seminal and even controversial work speaks directly and factually about the greatest spiritual event of one's earthly life: that of transition, formerly known as "death." It presents an entirely new -- and yet entirely ancient -- view of life after death, and is proving to be consistent with modern physics, psychology, and demonstrated non-ordinary sources of information, such as controlled remote viewing, channeling, and mediumistic communication. Aspects of modern quantum physics, such as "entanglement," are clearly evident within the dynamics of the living dialogues between the authors, psychotherapist/medium August Goforth, and his partner, Tim Gray, who was a writer and editor on Earth before his transition almost 20 years ago.

Among the many astonishing aspects of this loving and unusual relationship has been Tim's many literally physical manifestations into the life and arms of August. Other intriguing issues explored in this complex and fascinating book include:

- Exquisitely detailed descriptions of Tim's transition experience and his current Risen geography, a spiritual realm of a highly-vibrating level of non-terrestrial existence.
- How to connect with our loved ones once thought lost.
- Grief, bereavement, and the troubled subject of self-exiting.
- Intensive psychospiritual exploration into the ego-mind and Authentic

Self.

- "Liberation Dramas," or spirit rescue.
- The Pastime of Reincarnation.
- Contributions by Krishnamurti and other highly advanced non-corporeal entities.

### Editorial Review

From the Back Cover

"*The Risen--Dialogues of Love, Grief & Survival* is a story of love that death couldn't defeat, and gives believers the kind of afterlife details they thirst for and so rarely encounter. Along the way, it offers those who don't believe in afterlife communication plenty of reason to hope they are wrong."

**Christine Wicker**, author of *New York Times* bestseller *Lily Dale: The True Story of the Town that Talks to the Dead*

"Read this book if you are a physician, therapist, psychiatrist, psychologist, or patient. *The Risen* contains the fundamental wisdom and healing insights I was taught at Johns Hopkins that all healers should have, yet which are so desperately lacking in medical science and psychotherapy today. The turning point for me came when I dared myself to implement the lessons in this book in my own practice--and they worked.

"Please read this book. I firmly predict that after you read *The Risen*, you will agree with me that it is the most sane, normal, insightful, wise, and frankly funny book on healing grief, using spiritual insights in therapy, and learning to love that you have ever read."

**Melvin L. Morse, MD, FAAP**, author of international bestsellers *Closer to the Light* and *Where God Lives: The Science of the Paranormal and How Our Brains are Linked to the Universe*

"*The Risen* is a great read and truly inspirational. For those of you who have lost loved ones, this book will give you the strength to carry on. It is also a must for anyone who wants knowledge of other levels of existence beyond our mortal life. If you are a researcher, psychic, or a person who wants to know more about the other realms, then you must read this amazing work!"

**Philip J. Imbrogno**, science educator, paranormal researcher, and author of bestseller *Interdimensional Universe: The New Science of UFOs, Paranormal Phenomena and Otherdimensional Being*

### Users Review

**From reader reviews:**

**Louise Wax:**

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world.
