### The Truth Behind Hip Hop By G. Craig Lewis

So, just what is hip-hop? What are the religious and spiritual influences behind it? What are the ways it is devastating this generation? Can hip-hop be redeemed by the church, or is it something that needs to be countered? Inspired by the DVD series that exposed hip-hop for the demonic influence it is, The Truth Behind Hip Hop is written to equip the church and expose the devil's agenda to immobilize and destroy the next generation. In this book, speaker and author Elder G. Craig Lewis uses the light of God's word to reveal hip-hop subculture for the destructive force it is. As you read, you will understand that more than a music style, hip-hop is a way of life that is leading a generation to hell. From eyewitness accounts, to powerful biblical teaching, this book will empower you not only to walk in freedom, but to also set others free.
