Biochemistry: A Concise Text for Medical Students By D. K. Apps, B. B. Cohen, C. M. Steel

The fifth edition of Bailliere Tindall's biochemistry textbook intended for medical students. Retaining the format of earlier editions, it provides a concise and straightforward introduction to biochemistry. This new book includes clinical material to illustrate key biochemical topics, and is illustrated with diagrams to emphasize key concepts; for this edition a significant number of clinical photographs have been added. An ELBS/LPBB edition is available.
