Bullwhip Days the Slaves Remember From Quill (HarperCollins)

In the mid-thirties, the Federal Writer's Project, an adjunct of the W.P.A., dispatched interviewers to capture the personal memories of the last few thousand survivors of American slavery. In *Bullwhip Days*, they tell, in their own voices, of the harsh realities of human bondage. The vivid and powerful images are a vital part of America's history and offer sobering insight into the roots of racism in today's society.

Editorial Review

From Publishers Weekly

"Twenty-nine oral histories and additional excerpts, selected from 2000 interviews with former slaves conducted in the 1930s for a WPA Federal Writers Project, document the conditions of slavery that, Mellon maintains, lie at the root of today's racism," reported PW. Photos.

From Library Journal

As part of the Federal Writers' Project in the 1920s and 1930s, a rich oral history of slavery was compiled from interviews with thousands of former slaves. Selections were first published in 1945 in B.A. Botkin's *Lay My Burden Down*, and later in collections by Norman Yetman and Lester Julius, now all out of print. The complete set is still available (George P. Rawick, ed. *The American Slave: A Composite Autobiography*, 19 vols, 1972; Suppl. Series 1, 12 vols., 1978; Suppl. Series 2, 10 vols., 1980, Greenwood Pr.). Although this sample of 29 full narratives and several excerpts is excellent, recalling such varied experiences as religion, sexuality, and escape attempts, editor Mellon provides no historical context or setting. As a result, the larger meaning of a people's resilience in adversity is lost. Currently, libraries in need of a one-volume sampling of this fascinating body of work will have to be content with this faint echo. Randall M. Miller, St. Joseph's Univ., Philadelphia

Users Review

From reader reviews:

Jason Hill:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have do something to make these survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that at times many people have underestimated this for a while is reading. Yes, by reading a book your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading a new book, we give you this *Bullwhip Days the Slaves Remember* book as nice and daily reading e-book. Why, because this book is greater than just a book.

Lisa Shumaker:

This book untitled *Bullwhip Days the Slaves Remember* to be one of several books in which best seller in this year, this is because when you read this publication you can get a lot of benefit into it. You will easily to buy this particular book in the book retailer or you can order it by way of online. The publisher on this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Mobile phone. So there is no reason for you to past this guide from your list.

Chris Henderson:

Reading a publication tends to be new life style within this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Having book everyone in this world can easily share

their idea. Books can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this Bullwhip Days the Slaves Remember.

Katherine Adkins:

Many people spending their period by playing outside having friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by reading through a book. Ugh, think reading a book will surely hard because you have to take the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Cell phone. Like Bullwhip Days the Slaves Remember which is obtaining the e-book version. So , why not try out this book? Let's observe.
