Chivalry-Now: The Code of Male Ethics By Joseph D. Jacques

What does it mean to be a man? When a culture fails to answer that properly, the results can be disastrous. For men it can lead to broken identity, overcrowded prisons, spousal abuse, gang violence, chemical addiction and aggressive, anti-social tendencies that wreck havoc all over the world. For women it can mean living in a suppressed environment where involvement is marginalized. Using medieval chivalry as a springboard, this book leads the reader into a thought-provoking quest for values long ignored. By incorporating freedom, personal authenticity, democracy and equality (including feminism), this new form of chivalry is entirely relevant for today's world.

Editorial Review

Review

What D. Joseph Jacques has written strikes me as the sort of thing that draws readers into "the weave," instead of keeping them on the edging of the fabric. Makes them participators, not spectators. (Bruce Harper, Director of La Confrerie du Pelerinage Sacre, Australia) Chivalry-Now hits at the heart of what it means, and always has meant, to be a man. It's a sure road map for men. It promises to improve men, those they love, and the whole of society. (Daniel Murphy, President/CEO Community Works, Medford, Oregon, USA)

About the Author

D. Joseph Jacques draws from 25 years of social work experience, philosophy and the study of Arthurian Literature in order to reinstate the moral identity of the western male.

Users Review

From reader reviews:

Sherry Clark:

The book Chivalry-Now: The Code of Male Ethics make one feel enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can being your best friend when you getting tension or having big problem along with your subject.
