Editorial Review

From the Publisher

Unlike other government and not-for-profit (NFP) books, this one is directed at potential users rather than preparers of financial reports. It demonstrates the significance of reported information and shows users (managers, investors, taxpayers, legislators, trustees) how to interpret and analyze accounting information.

From the Back Cover

Get hands-on, practical experience with Tyler Technologies software and the comprehensive annual financial report (CAFR) of Austin, Texas.

The CD-ROM contains an education version of state-of-the-art General Ledger and GASB 34 fund accounting and reporting software designed by Tyler Technologies, Inc. (www.tylerworks.com) as well as an annual report related to a continuing problem in the text. The professional government accounting software provides:

- Valuable experience in recording transactions and preparing financial statements.
- Familiarity with the type of software that you are most likely to encounter in modern-day governments.
- An overview of the entire accounting cycle.
