Half Moon Hill: A Destiny Novel (Destiny series) By Toni Blake

You never know what destiny has in store . . .

A rugged loner and ex-biker-gang member, Duke Dawson is looking for some peace and quiet while recovering from an accident. But when Anna Romo comes wandering through his woods and into his cabin, she completely rocks his world. The last thing he expected or wanted was to find himself hungering after a woman whose eyes held hurt even deeper than his own . . .

Running from a troubled past, Anna is building a new life in Destiny. When she first meets Duke, she's terrified—but something about him calls to her very soul. The hard-bodied rebel is soon helping her turn her new home into a bed and breakfast, and close quarters quickly lead them into her bed. Their passion is palpable, but can she convince a man who has turned his back on life to take the biggest leap of faith of all and fall in love?
