Reasons for Faith: Making a Case for the Christian Faith By Norman L. Geisler, Chad V. Meister

Many Christians want to witness for their faith, but they are afraid they will not be able to answer questions that others may ask of them. First Peter 3:15 reminds believers to always be prepared to "make a defense to anyone who asks you for a reason for the hope that is in you." Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith. Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith.

By covering the importance of apologetics and then applying apologetics to popular culture and theological issues, these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society.
