### You're Making Me Hate You: A Cantankerous Look at the Common Misconception That Humans Have Any Common Sense Left By Corey Taylor

Corey Taylor has had it. Had it with the vagaries of human behavior and life in this postmodern digital blanked-out waiting room that passes for a world. Reality TV, awful music, terrible drivers, megamalls, airports, family reunions, bad fashion choices, other people's monstrous children, and badly-behaved "adult" human beings are warping life in the twenty-first century into an often-unbearable endurance test of one's patience, fortitude, and faith. Funny, profane, blasphemous, and above all right on target, *You're Making Me Hate You* is pure Corey Taylor unleashed, exposing the underbelly of human depravity in all its ragged glory.

“An entertaining read.”

**Sonic Sound Magazine, 7/7/15**

“An enjoyable read that will have you nodding in agreement and chuckling at Corey's expletive-filled, but justifiable rants.”

**Popmatters, 9/1/15**

“Taylor's third book takes a critical and shameless look at the state of society...The selling point here is his grouchy, comedic take on the human condition, but the real depth comes from Taylor's keen awareness and humanity. While nobody can be the authority on people watching, in his detail Taylor comes very close. ...his power comes from his wicked smarts and observational skills he calls, “anthropological research”. *You're Making Me Hate You* is a fun read...”
