### A Soldier's Story (Modern Library War) By Omar N. Bradley

D-Day, the Battle of the Bulge, the liberation of Paris, the relentless drive through Germany toward Allied victory--Omar Bradley, the "GI General," was there for every major engagement in the European theater. **A Soldier's Story** is the behind-the-scenes eyewitness account of the war that shaped our century: the tremendous manpower at work, the unprecedented stakes, the snafus that almost led to defeat, the larger-than-life personalities and brilliant generals (Patton, Eisenhower, Montgomery) who masterminded it all. One of the two books on which the movie Patton was based, *A Soldier's Story* is a compelling and vivid memoir from the greatest military tactician of our time.

The books in the Modern Library War series have been chosen by series editor Caleb Carr according to the significance of their subject matter, their contribution to the field of military history, and their literary merit.

This 1951 volume by the so-called "GI General" is quite an appropriate title to help launch Modern Library's new "War" line of paperback reprints. Bradley here offers a firsthand account of World War II. This is the only paperback available of this title.

"A Soldier's Story tells, better than any other book of its kind to date, how the war in the European theater was fought and why it was fought that way."

--A. J. Liebling, *The New Yorker*
