A Summary of the Seven Seals - As Revealed to William Marrion Branham By Rev. William Branham, R Scott Giberti

Do you feel lost when you read the book of Revelation? Do the images and actions seem bewildering and the meaning confusing? R Scott Giberti, clearly and understandably summarizes this crucial scripture opened by God, revealed to William Branham.

The seven seals contained secret information known only to God until the Lamb was found worthy to open the scrolls and to look on the contents. What is contained therein was only for the eyes of the Lamb.

However, through his kindness and willingness to share this information with the saints, we find the conditions and circumstances that would take place in the time frame of each seal. Most of the seals tell of the antichrist's activities and lend encouragement to the saints of each period.

William Marrion Branham was an incredible man of God whom God used to usher in the Latter Rain Revival of the 40's and 50's. Early in 1963, he had a powerful divine experience which he saw by vision a couple of months before it happened. On Sunset Mountain in Arizona, he was taken up into a constellation of seven angels, and one angel told him to return to Jeffersonville, Indiana, to preach on the Seven Seals from the Book of the Revelation.

During those meetings in March of 1963, the same angel would appear to him each morning to give him revelation he had never had before about each Seal. He would then preach about it that night.

This booklet contains summaries of all of Bro. William Branham's sermons from that series of meetings: The Breach Between the Church Ages and the Seals, God Hiding Himself in Simplicity, The First Seal, The Second Seal, The Third Seal, The Fourth Seal, The Fifth Seal, The Sixth Seal, The Seventh Seal, Questions and Answers on the Seals.

These messages bring powerful revelations that are important for the Bride of Christ in our day and contain some mysteries that are soon to be revealed.
