Aquinas on Being, Goodness, and God By Christopher Hughes

Thomas Aquinas is one of the most important figures in the history of philosophy and philosophical theology. Relying on a deep understanding of Aristotle, Aquinas developed a metaphysical framework that is comprehensive, detailed, and flexible. Within that framework, he formulated a range of strikingly original and carefully explicated views in areas including natural theology, philosophy of mind, philosophical psychology, and ethics.

In this book, Christopher Hughes focuses on Aquinas's thought from an analytic philosophical perspective. After an overview of Aquinas's life and works, Hughes discusses Aquinas's metaphysics, including his conception of substance, matter, and form, and his account of essence and existence; and his theory of the nature of human beings, including his critique of a substance dualism that Aquinas attributes to Plato, but is usually associated with Descartes. In the final chapters, Hughes discusses Aquinas's account of the existence and nature of God, and his treatment of the problem of evil, as well as his ideas about the relation of goodness to being, choice, and happiness.

Aquinas on Being, Goodness, and God is essential reading for students and scholars of Aquinas, and anyone interested in philosophy of religion or the history of medieval philosophy.

Users Review

From reader reviews:

Alicia Mendes:

Book is to be different for each grade. Book for children until eventually adult are different content. As we know that book is very important usually. The book Aquinas on Being, Goodness, and God was making you to know about other information and of course you can take more information. It is very advantages for you. The book Aquinas on Being, Goodness, and God is not only giving you considerably more new information but also to become your friend when you feel bored. You can spend your personal spend time to read your guide. Try to make relationship while using book Aquinas on Being, Goodness, and God. You never sense lose out for everything should you read some books.

Jaclyn Davis:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is inside the former life are challenging be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Aquinas on Being, Goodness, and God as the daily resource information.

Jennifer Williams:

Reading a guide tends to be new life style in this particular era globalization. With examining you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Aquinas on Being, Goodness, and God.

Charles Collier:

This Aquinas on Being, Goodness, and God is great book for you because the content that is certainly full of information for you who else always deal with world and get to make decision every minute. This particular book reveal it data accurately using great organize word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with lovely delivering sentences. Having Aquinas on Being, Goodness, and God in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no e-book that offer you world in ten or fifteen small right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. active do you still doubt in which?
