John, a once-broken man, was forever changed the moment he met the mysterious stranger from Nazareth, his heart opened by the One whom he discovered to be the Son of God.

At ninety years old, John is the last of the original twelve apostles still alive, the only one who was not martyred. Committed to spreading the Good News of Jesus Christ, he is called by God to write a gospel in order to set the record straight-as others were teaching that Jesus wasn't the Son of God. Recalling his time with Jesus, John brings to life the miracles and messages of the Man who would change the course of history.

The first in a series, *John's Story: The Last Eyewitness* is a remarkable and thrilling account of the life of the Man who came to fulfill the prophecies of the Old Testament and to save all of mankind. To bring deeper understanding to the story, each of the four books nclude the text of the corresponding gospel as an appendix.

Editorial Review

From Publishers Weekly

With their wildly popular Left Behind thrillers, LaHaye and Jenkins took the Christian fiction genre to new heights of mainstream success, but also sparked renewed debate among evangelicals concerning End Times theology. Now, they reunite to undertake the Jesus Chronicles, a four-book series of historical novels profiling the lives of the Gospel writers: John, Mark, Matthew, and Luke. This first installment recounts the personal and spiritual journey of the only one of the original apostles who died from old age rather than martyrdom. Robinson Dean brings an appropriately deep and sober tone to his duties as narrator, especially in his portrayal of the elderly John's exhaustive efforts to leave a written record of both his first-person experiences and prophetic visions. The authors steep their storytelling in a conservative interpretation of scripture that may not appeal evenly across the broader spectrums of Christian theology, but they provide some engaging human drama. The audiobook also includes Dean's reading of the complete texts of all five New Testament books for which John is credited (John's Gospel, his three Epistles and Revelation). Tim LaHaye and Jerry Jenkins's new work is not meant to be an examination of the life of the longest-living disciple of Jesus Christ. The authors of the popular Left Behind series ask listeners to accept the work for what it is--a novel. Reader Robertson Dean is the best thing about the book. His measured voice and soft tones sound like the best of the narrators of the religious movies of the 1960s. His is a trustworthy voice, a fatherly voice, amazingly gentle yet harsh when necessary. Expect more and you might be disappointed. M.S. © AudioFile 2007, Portland, Maine-- Copyright © AudioFile, Portland, Maine
