**Management Accounting (UK Higher Education Business Accounting)** By John Burns, Martin Quinn, Liz Warren, Joao Oliveira

A modern and contemporary approach to Management Accounting, this brand new textbook written specifically for courses in the UK and Europe provides an essential grounding for students studying both traditional and new Management Accounting techniques. Importantly, this complete text takes its readers beyond just the traditional accounting techniques, to place accounting information and the role of the Management Accountant in a broader organizational context. The text will provide a definitive education for tomorrow's "business-partner" Management Accountants and finance-literate business managers.
