Power and Popular Protest: Latin American Social Movements, Updated and Expanded Edition From University of California Press

Eclectic and insightful, these essays—by historians, sociologists, political scientists, and anthropologists—represent a range of subjects on the cause and consequence of protest movements in Latin America, from an examination of the varying faces but common origins of rural guerilla movements, to a discussion of multiclass protests, to an essay on *las madres de plaza de mayo*. This volume is an indispensable text for anyone concerned with reducing inequities and injustices around the world, so that oppressed people need not be defiant before their concerns are addressed. A new preface and epilogue discuss recent social movements.

Editorial Review

From the Inside Flap

"A wonderful starting point for studying social movements in contemporary Latin America and for analyzing how unique processes of dependent capitalist development, and attendant political structures, influence their emergence and impact. This edited volume comes just in time, before we get too carried away with Euro-centered theories of new social movements and lose sight of what is really happening at the grassroots. It is one of the first collections of its kind published in English, and as such it is a rich and long-overdue contribution. "—Diane E. Davis, *Journal of Inter-American Studies and World Affairs*

"Carefully conceived, *Power and Popular Protest* is a superb text to be consulted in the years to come by anyone interested in understanding contemporary Latin American politics and society."—Rosario Espinal, *Contemporary Sociology*

Merry Springs:

The book *Power and Popular Protest: Latin American Social Movements, Updated and Expanded Edition* can give more knowledge and also the precise product information about everything you want. So why must we leave a very important thing like a book *Power and Popular Protest: Latin American Social Movements, Updated and Expanded Edition*? Some of you have a different opinion about e-book. But one aim that will book can give many details for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or data that you take for that, you are able to give for each other; you could share all of these. Book *Power and Popular Protest: Latin American Social Movements, Updated and Expanded Edition* has simple shape but the truth is know: it has great and large function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

Stacey Eades:

Reading a book tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the publications. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this *Power and Popular Protest: Latin American Social Movements, Updated and Expanded Edition*.

Albert Chesson:
