**The Oxford Handbook of Economic Geography (Oxford Handbooks)** From Oxford University Press

The *Oxford Handbook of Economic Geography* is the single most important statement of the scope and status of the vibrant interdisciplinary field of economic geography. It brings together more than 40 leading economists and geographers from around the world. From general statements about the history and evolution of the field to statements about the crucial problems of economic geography, the volume is preoccupied with the rival theories and perspectives that have sustained its recent growth. The volume is also focused upon linkages, including those between the global and the local, between industry location and trade, and between corporate strategy and market structure.

## **Editorial Review**

### Review

"The contributors are the luminaries in the field; particularly notable is the fact that the editors have attracted leading economists in addition to the top economic geographers"

### About the Author

Gordon L. Clark is a Halford Mackinder Professor of Geography and Fellow of St Peter's College, Oxford. Meric S. Gertler is a Goldring Professor of Canadian Studies and Professor of Geography and Planning, University of Toronto. Maryann P. Feldman is at the Rotman School of Management, University of Toronto.
