The Returning By Christine Hinwood

An engrossing epic tale with a cast of characters that will hijack your heart.

Cam Attling, having lost an arm, is the only one from his town of Kayforl to return after twelve years of war. All his fellow soldiers were slain, and suspicion surrounds him. When his betrothal to Graceful Fenister is called off and his role in the community questioned, Cam leaves to find the lord who maimed him but spared his life, seeking answers and a new place in the world.

But this is not just Cam's story, it's about all those whose fates entwine with his. Set in a medieval world that is entirely the author's creation, this is an ingenious, exquisite story about what happens after the battle. When sisters, sons, friends, parents, and lovers are left to deal with the subtle aftermaths and unimagined repercussions of war.
