Legacy: The True Inglorious History of President Obama By Irene Petteice

A man with aspirations of being a world leader, Barack Obama, a man with many secrets of his own, set out to destroy the strongest power by bankrupting the nation, diminishing its military, and apologizing to all other countries for its arrogance. A man that has his own army and concentration camps ready at his whim for you. A man that could and should have brought unity between black and white America but his cause was to further his own agenda to take guns away from America and destroy its Second Amendment. Barack Obama, the man that said he was a Christian when everything he did pointed to the fact that he is a Muslim. Barack Hussein Obama, the man who will go down in the annals of history known as a Muslim, a Luminati, a member of the New Black Panthers, a member of the gay community, and as the worst President the United States of America has ever elected.
