Modern South Asia: History, Culture, Political Economy By Sugata Bose, Ayesha Jalal

Jointly written by two leading Indian and Pakistani historians, *Modern South Asia* offers a rare depth of historical understanding of the politics, cultures and economies that shape the lives of more than a fifth of humanity. After sketching the pre-modern history of the sub-continent, the book concentrates on the last three centuries.

This new second edition has been updated throughout to take account of recent historical research. It includes an expanded section on post-independence with a completely new chapter on the period from 1991 to the present and a chapter on the last millennium in subcontinental history. There is a new chronology of key events.
