Nameless: A Novel By Debra Webb

Vivian Grace is an FBI rookie on a mission: To hunt down a kidnapper—*with all her heart*. Because for Vivian, herself a victim of a vicious kidnapping years ago, this case is about more than justice. This time, it's personal.

Ryan McBride is an ex-agent who was scapegoated three years ago for a kidnapping case gone fatally wrong. Since then, he has been drinking himself into oblivion, trying to forget the past. Until Vivian shows up at his door and knocks him head-first into the present. Someone is using his and Vivian's darkest secrets against them—and time is running out for the victims...

Aida Zambrana:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Nameless: A Novel can make you really feel more interested to read.
