Nanny Returns: A Novel By Emma McLaughlin, Nicola Kraus

More than four million readers fell in love with Nan, the smart, spirited, and sympathetic heroine of the #1 *New York Times* bestseller *The Nanny Diaries*.

After living abroad for twelve years, Nan and her husband, Ryan, aka H.H., have returned to New York to get her new business off the ground and fix up their fixer-upper. To compound the mounting construction woes and marital chaos of Ryan announcing his sudden desire to start a family, sixteen-year-old Grayer X makes a drunken, late-night visit wanting to know why Nan abandoned him all those years ago. Soon she is drawn back into Mrs. X's ever-bizarre Upper East Side conclave of power and privilege in this "eminently readable" and "surprisingly affecting" (*Entertainment Weekly*) tale of what happens when a community that chooses money over love finds itself with neither.

Editorial Review

From Publishers Weekly

Nan revisits 721 Park, home of the moneyed but morally bankrupt Xs, and the boy she guiltily left behind in their inept care in this smart and sassy sequel to *The Nanny Diaries*. And though Nan has grown up a bit, married Harvard Hottie Ryan and traveled the world, the plight of the rich and stupid continues, as does Nan's new crusade to save former charge Grayer and his younger brother Stilton, renovate a crumbling East Harlem mansion and stick it out at a soulless Manhattan private school. Outcomes are deeply uncertain, though Nan is nothing if not a natural-born cheerleader: I know what I'm worth. Because I care for these kids, I do, right down to my toes, she says of her young charges in and out of school. There's still one fear, however—whether she'll ever be able to make the leap from nanny to mommy. McLaughlin and Kraus leave no dry eyes as they once again wield a razor-sharp wit that cuts down the most uppity mortals even as it lifts up their vulnerable children. You could safely bet your first born that this'll be another smash hit. (*Dec.*) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.
