### The Case for Israel By Alan Dershowitz

The Case for Israel is an ardent defense of Israel's rights, supported by indisputable evidence.

- Presents a passionate look at what Israel's accusers and detractors are saying about this war-torn country.
- Dershowitz accuses those who attack Israel of international bigotry and backs up his argument with hard facts.
- Widely respected as a civil libertarian, legal educator, and defense attorney extraordinaire, Alan Dershowitz has also been a passionate though not uncritical supporter of Israel.

## Editorial Review

From Publishers Weekly

Noting that he has been working on versions of these arguments since 1967, famed Harvard law professor Dershowitz offers "a proactive defense of Israel," a kind of amicus brief to "the court of public opinion." Not least among the exhibits are a WWII-era Muslim Palestinian leader who was "a full fledged Nazi war criminal, and he was so declared at Nuremberg"; a "vastly underpopulated" late 19th-century Palestine, to which European Jews began emigrating; and a 75-year-long Arab-Israeli war that features "Arab nations dedicated to genocidal aggression against civilians." Each of the 32 chapters begins with a commonly heard accusation against Israel, with long quotes from reputable "Accusers" (including newspapers and intellectuals), followed by "The Reality" as Dershowitz sees it, and "The Proof," often drawing on the historical record.

From [Booklist](#)

Dershowitz is one of the nation's most prominent and visible defense attorneys, and he is also an ardent, eloquent, but not always uncritical defender of Israel. This book is written in the form of a legal brief. He does not seek to defend particular policies of the current Israeli government. In fact, Dershowitz has frequently criticized some Israeli policies toward Palestinians, particularly regarding West Bank settlements. Rather, here he attempts to rebut what he views as the more general and blatantly discriminatory criticisms of Israel as a state and culture. Some of these criticisms deny the "right" of Israel to exist. In response, Dershowitz asserts both the practical and moral justification for the continued existence of Israel as Jewish state. He also convincingly refutes several other oft-repeated myths, including the supposedly benign treatment of Jews in Arab lands and the "cycle of violence" canard that morally equates Palestinian suicide bombings with Israeli efforts to arrest or kill bombers before they act. As usual, Dershowitz is a passionate but generally fair and honest advocate for his position. *Jay Freeman*

Review

Noting that he has been working on versions of these arguments since 1967, famed Harvard law professor Dershowitz offers "a proactive defense of Israel," a kind of amicus brief to "the court of public opinion." Not least among the exhibits are a WWII-era Muslim Palestinian leader who was "a full fledged Nazi war criminal, and he was so declared at Nuremberg"; a "vastly under populated" late 19th-century Palestine, to which European Jews began emigrating; and a 75-year-long Arab-Israel war that features "Arab nations dedicated to genocidal aggression against civilians." Each of the 32 chapters begins with a commonly heard accusation against Israel, with long quotes from reputable "Accusers" (including newspapers and intellectuals), followed by "The Reality" as Dershowitz sees it, and "The Proof," often drawing on the historical record. With a 150,000 first printing, a \$150,000 marketing budget, a Today Show appearance on September 4 and an author tour, expect lots of discussion. (Sept. 2) (*Publishers Weekly*, August 4, 2003)

"...I recommend even more strongly [then *The New Anti Semitism* and *A New Anti Semitism?*] the handbook *The Case for Israel*..." (*Sunday Telegraph*, 5 October 2003)

"Dershowitz is especially effective at pointing to the hypocrisy of many of Israel's critics." (*The New York Times - Book Review*, November 9th, 2003)

"...It should be read by all who seek to be genuinely informed on the Middle East conflict..." (*The Jewish Chronicle*, 9 January 2004)
