A Kiss Gone Bad By Jeff Abbott

Set on the Texas Gulf Coast, award-winning author Jeff Abbott's suspenseful breakout novel is punctuated by a steamy Southern atmosphere, unforgettable characters, wicked humor, jolting plot twists, and a wry sensibility that's getting unqualified raves from his peers...

"A wonderfully talented Southern writer." (*New York Times* bestselling author Sharyn McCrumb)

A Kiss Gone Bad rocks big time...pure, white-knuckled suspense. I read it in one sitting." (Harlan Coben, author of *Tell No One*)

"No one understands darkness at the heart of rural America better than Abbott, and A Kiss Gone Bad marks a major new direction in his career. The novels hits with all the power of a Texas thunderstorm." (Rick Riordan, author of *The Last King of Texas*)

Editorial Review

From Publishers Weekly

Tensions rise in Port Leo, Tex., when porn star Pete Hubble, the black sheep son of a senator, returns to uncover the secrets surrounding his brother's long-ago disappearance. Pete brings some heavy baggage with him, the least of which is his producer and girlfriend, Velvet Mojo. When Pete turns up dead, seemingly by his own hand, rookie Judge Whit Mosley and police detective Claudia Salazar open an investigation that may cost him the election and them their lives. Agatha and Macavity award-winner Abbott (*Distant Blood*) populates his narrative with a number of colorful characters including a pompous southern sheriff, a wrestler turned evangelist, a shadowy psychotic killer named Blade, a corrupt female senator and a delightful sidekick who sticks to his ethics even if they don't always coincide with judicial law. Despite the author's penchant for gauche one-liners ("I been in law enforcement thirty years, partner, and you're wet behind both ears and balls."), he offers fresh, original descriptions and well-written fistfights. This intricately woven, fast-moving mystery will keep readers guessing until the novel's final confrontation.
