Editorial Review

From Publishers Weekly

In this imaginative, deftly plotted fantasy from Friedman (*The Wilding*), the first of a new trilogy, a female witch's magic comes at a terrible cost: her own finite life force, which drains away with each spell. Nearly immortal male Magisters, on the other hand, tap a more murderous fuel for their power. No woman has ever found its source, until young Kamala, hardened by life as a child whore, insists on an apprenticeship and secretly becomes an unheard-of female Magister. Meanwhile, Prince Andovan, third son of the avaricious King Danton, is expiring from the baffling Wasting disease, which can only be caused by a Magister. When the enraged king banishes his right-hand Magister, the mysterious and sinister Kostas takes his place, much to the dismay of Andovan's benevolent mother, Queen Gwenofar. As the kingdom threatens to spiral toward a dark age, Kamala and Andovan find their fates entwined. Readers will eagerly await the next installment. (Jan.)

For the Magister Trilogy, Friedman conjures a world in which the price of using magic is the death of either the magician or a consort on whose life force he feeds. Ordinary witches usually die young. But magisters--all male, for it is believed that women cannot make the transition from witch to magister--are practically immortal, taking consort after consort and using them up. Prince Andovan, son of a powerful king, has fallen ill with a wasting disease. When his father consults the magisters, they realize that an unknown magister has taken the prince for a consort. They won't say so, however, for that would put their lives and power at risk. But Magister Colivar helps the prince fake a suicide to track down his unknown exploiter. King Danton, driven nearly mad by his son's "death," falls victim to a souleater, which is worse than a magister. Magisters are parasitic; souleaters can destroy the world. Powerful, intricate plotting and gripping characters distinguish a book in which ethical dilemmas are essential and engrossing. *Frieda Murray*
