Money, Labour and Land: Approaches to the economics of ancient Greece (Routledge Classical Monographs) From Routledge

The cultural wealth of the classical Greek world was matched by its material wealth, and there is abundant textual and archaeological evidence for both. However, radically different theoretical and methodological approaches have been used to interpret this evidence, and conflicts continue to rage as these different starting points produce clashing views on the significance and distribution of money, labour and land.

Money, Labour and Land reflects the current explosion in ideas and research by assembling case-studies from an international selection of renowned US, British and European scholars. Drawing on comparative historical and anthropological approaches, sociological, economic and cultural theory, and developments in epigraphy, legal history, numismatics and spatial archaeology, this volume will be of interest to all students and scholars of ancient economies.

Editorial Review

Review

'This is a thought-provoking collection of papers. It is to be highly recommended.' - *Anglo Hellenic Review*

Users Review

From reader reviews:

Guadalupe Winn:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their spare time to take a move, shopping, or went to the Mall. How about open as well as read a book allowed Money, Labour and Land: Approaches to the economics of ancient Greece (Routledge Classical Monographs)? Maybe it is being best activity for you. You realize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have some other opinion?

Christopher Barry:

What do you think about book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that concern above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't desire do that. You must know how great and important the book Money, Labour and Land: Approaches to the economics of ancient Greece (Routledge Classical Monographs). All type of book is it possible to see on many resources. You can look for the internet solutions or other social media.

Patricia Gallagher:

People live in this new time of lifestyle always try and and must have the extra time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative with spending your spare time, typically the book you have read is actually Money, Labour and Land: Approaches to the economics of ancient Greece (Routledge Classical Monographs).

Robert Tanaka:

A lot of e-book has printed but it differs from the others. You can get it by web on social media. You can choose the best book for you, science, amusing, novel, or whatever by searching from it. It is called of book Money, Labour and Land: Approaches to the economics of ancient Greece (Routledge Classical

Monographs). Contain your knowledge by it. Without leaving the printed book, it could add your knowledge and make an individual happier to read. It is most significant that, you must aware about book. It can bring you from one destination to other place.
