Sinai: Egypt's Linchpin, Gaza's Lifeline, Israel's Nightmare By Mohannad Sabry

Enclosed by the Suez Canal and bordering Gaza and Israel, Egypt's rugged Sinai Peninsula has been the cornerstone of the Egyptian-Israeli peace accords, yet its internal politics and security have remained largely under media blackout. While the international press descended on the capital Cairo in January 2011, Sinai's armed rebellion was ignored. The regime lost control of the peninsula in a matter of days and, since then, unprecedented chaos has reigned and the Islamist insurgency has gathered pace.

In this crucial analysis, Mohannad Sabry argues that Egypt's shortsighted security approach has continually proven to be a failure. Decades of flawed policies have exacerbated immense social and economic problems, and maintained a superficial stability under which arms trafficking, the smuggling tunnels, and militancy could silently thrive-and finally prevail following the overthrow of Mubarak.

Sinai is vital reading for scholars, journalists, policy makers, and all those concerned by the plunge of one of the Middle East's most critical regions into turmoil.

Editorial Review

Review

"Mohannad Sabry is one of Egypt's best young writers--and one of the first to understand the new dangers in Sinai. His book has the "ground truth" that can only come from careful, close-up reporting. This is the kind of smart, independent journalism that Egypt needs to build a truly strong future. . . . a reminder of what journalists do at their best."--**David Ignatius, *The Washington Post***

"For years now, Sabry has been on the ground in the Sinai, seeing and observing a story that so many others have missed...This is an important and timely book filled with field research and reporting that anyone who cares about the future of the Middle East needs to read."--**Charles M. Sennott, founder and executive director of The GroundTruth Project and Middle East correspondent for *The Boston Globe***

"This is an engaging, informative book which delivers a disturbing portrait of a region largely forgotten except when tourists are hit by terrorist attacks."--**Sarah Irving, *The Electronic Intifada***

"Urgent and excellent In the course of his investigations, Sabry does more than merely shine an expert light onto the peninsula; he also illuminates many of the fault lines that have animated so much political unrest across the country as a whole."--**Jack Schenker, *Times Literary Supplement***

By showing and explaining what a critical region of the Middle East went through after 2011, Sabry contributes to the overall documentation of the Arab Spring. In this regard, Sinai develops the collective understanding of the political turmoil that has characterized the Middle East since 2011, facilitating the contemplation of its future implications. Thanks to Sabry's accessible writing style, the book constitutes a useful resource for both academics and the general readership."--**Georgios Rigas, *Middle East Policy Council***

About the Author

Mohannad Sabry is an Egyptian journalist who has reported extensively from the Sinai Peninsula. He was named a finalist for the 2011 Livingston Award for International Reporting and has been published in *Foreign Policy*, *The Miami Herald*, *GlobalPost*, *Al-Monitor*, and many other international publications. He was the field producer of PBS Frontline's "Egypt in Crisis," aired in 2013 and nominated for the 2014 Emmy Award for News and Documentary.

Users Review

From reader reviews:

Philip Raber:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. Homer Simon:

People live in this new time of lifestyle always try and and must have the time or they will get large amount of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely of course. People is human not really a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you actually of course your answer will probably unlimited right. Then ever try this one, reading guides. It can be your alternative throughout spending your spare time, the actual book you have read is actually Sinai: Egypt's Linchpin, Gaza's Lifeline, Israel's Nightmare.

George Hoffman:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Sinai: Egypt's Linchpin, Gaza's Lifeline, Israel's Nightmare can make you feel more interested to read.
