**Time to Get Tough: Make America Great Again!** By Donald J. Trump

**A *New York Times* bestseller!**

For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.”

Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!”

The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in *Time to Get Tough*, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...”

Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.”

President Elect Trump is about to “Make America Great Again” and *Time to Get Tough* is his blueprint!

### Editorial Review

From the Inside Flap

2016 Republican presidential candidate Donald J. Trump has a plan to make America great again. President Obama has been a disaster for this country. He's wrecked our economy, opened our borders to violent criminals, saddled our children with debt, and gone around the world apologizing for America as if the greatest nation in the world needed to apologize for being the land of opportunity and freedom that we were before Obama became president. Now, America looks like a broken country stripped of jobs, stripped of wealth, stripped of respect. And what does President Obama do about it? He plays nice with the very same foreign governments who are eager to watch America burn. This can't go on. And if Donald J. Trump has anything to say about it, it won't. In his New York Times bestselling book, *Time to Get Tough*, Trump has the answers America has been looking for, including: How to finally secure our border and fix our immigration overflow How to create American jobs by forcing Communist China into truly fair trade How to retire our debt without endangering long-established programs like Social Security, Medicare, and Medicaid that millions of Americans depend on How to undo the fraud of Obamanomics and the disaster of Obamacare Blunt, smart, and thoroughly captivating, *Time to Get Tough* is trademark Trump, setting out a common sense agenda to restore American prosperity and make our nation the world's leader once again.

From the Back Cover

### From Donald J. Trump's *Time to Get Tough*

"I love America. I'm saddened by what I see happening to our country. We're being humiliated, pushed around, disrespected, and badly abused. Obama was a leftist experiment that has failed and gone horribly wrong, and everyone knows it. Even friends of mine who voted for the guy privately admit that he's been a huge disappointment. We cannot afford four more years of this mess. Our children's futures are on the line—and we have to come through for them. We have to get tough so that our country can be great again."
