Iron Age Communities in Britain: An account of England, Scotland and Wales from the Seventh Century BC until the Roman Conquest By Barry Cunliffe

Since its first publication in 1971, Barry Cunliffe's monumental survey has established itself as a classic of British archaeology. This fully revised fourth edition maintains the qualities of the earlier editions, whilst taking into account the significant developments that have moulded the discipline in recent years. Barry Cunliffe here incorporates new theoretical approaches, technological advances and a range of new sites and finds, ensuring that *Iron Age Communities in Britain* remains the definitive guide to the subject.

Editorial Review

Review

"This is an important and original book, dealing not simply with Iron Age archaeology, but with the very foundations of British society." - Colin Renfrew

"This is an occasion for celebration...the book is readable, abundantly illustrated and has full bibliographic references. Its severest critic should give it a resounding welcome." - Stanley Thomas, *New Scientist*

About the Author

Barry Cunliffe is Professor of European Archaeology at Oxford University and a Trustee of the British Museum.
