Manual of Equine Reproduction, 2e By Terry L. Blanchard DVM MS Dipl ACT, Dickson D. Varner DVM MS Dipl ACT, Charles C. Love DVM, Steven P. Brinsko DVM, Sherri L. Rigby DVM PhD Dipl ACT, James Schumacher DVM MS MRCVS Dip ACVS

Written by acknowledged experts in the field, this authoritative text presents a comprehensive overview of reproductive management of horses, including management of stallions, pregnant mares, and neonatal foals. Discussions are concise and practical, with detailed information on techniques used in reproductive examination, breeding procedures, pregnancy diagnosis, foaling, and reproductive tract surgery. This outstanding 2nd edition features a new chapter on the use of breeding records to evaluate stallion fertility and improve management of breeding stallions. High-quality photographs and line drawings, many new to this edition, clearly depict procedures.

New to the second edition!

All chapters have been updated to present the latest information on every subject, including:

- * Discussion of the use of GnRH-analog deslorelin (Ovuplant) to hasten ovulation
- * Aseptic technique for endometrial biopsy
- * Use of transabdominal ultrasonography, especially in early pregnancy
- * Determination of fetal gender by transrectal ultrasonography
- * Causes and treatment of uterine rupture
- * New sepsis scoring system to accurately predict sepsis
- * Ground semen collection procedure described and illustrated ; V using an artificial vagina
- * Ultrasound techniques used to detect intratesticular masses, evaluate accessory genital glands, explore for undescended testis, and confirm secretions from the prostate, ampullae, and ductus deferens
- * Aspiration testicular biopsy using a spring-loaded biopsy instrument
- * New containers for transporting cooled semen through airport security with heightened radiation exposure
- * New technique for castration that involves removing the bottom of the scrotum to provide better drainage results and fewer complications
- * New section on laparoscopic castration

- * Procedure for treating hematuria in geldings
 - * Procedure for surgical embryo transfer
- And a whole lot more!

Editorial Review

Review

Complete coverage of equine reproduction from the fundamentals to the latest advances

Users Review

From reader reviews:

Robert Beck:

Information is provisions for folks to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even a concern. What people must be consider whenever those information which is in the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Manual of Equine Reproduction, 2e as your daily resource information.

Randal Revilla:

Playing with family within a park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Manual of Equine Reproduction, 2e, you can enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its referred to as reading friends.

Rose Ibarra:

Your reading sixth sense will not betray you actually, why because this Manual of Equine Reproduction, 2e reserve written by well-known writer who really knows well how to make book that can be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still doubt Manual of Equine Reproduction, 2e as good book but not only by the cover but also by content. This is one guide that can break don't assess book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your looking at sixth sense already alerted you so why you have to listening to a different sixth sense.

Katrice Fredericksen:

Is it a person who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Manual of Equine Reproduction, 2e can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
