Sanctus: A Novel (Sancti Trilogy Book 1) By Simon Toyne

“If a thriller has to be one thing it’s thrilling, and Simon Toyne’s *Sanctus* is thrilling with bells on....A roller coaster ride through a dark world of conspiracy and betrayal.”

—Paul Christopher, author of *The Templar Conspiracy*

If you are a fan of top-notch conspiracy fiction that keeps you up late nights turning pages—if the bestselling novels of Steve Berry, James Rollins, Dan Brown, Raymond Khoury, and Chris Kuzneski make your heart race faster—then remember the name Simon Toyne! Already a smash instant bestseller in the United Kingdom (“Intriguing and engaging...[with a] relentless pace” *The Sun*) Toyne’s *Sanctus* is, quite simply, one of the most extraordinary conspiracy thriller debuts in many years. In this electrifying, nonstop adventure, a young newspaper reporter, driven by the memory of her lost brother, uncovers a dark secret nurtured for 3,000 years by blood and lies by adherents of an ancient, unknown religion in a Vatican-like citadel hidden away for millennia from unwelcomed prying eyes.

Editorial Review

Review

'A fast moving, thoroughly enjoyable, adventure - plenty of action, plenty of intrigue and a wonderfully imaginative reinterpretation of a slice of religious history. The sort of novel to devour in one sitting' KATE MOSSE 'A cool, confident debut ... A talented new writer who instinctively grasps the broad rules of superior action thrillers and adapts them with pace, grace, humour and a keen eye for cinematic effect' DAILY TELEGRAPH 'In this thriller Toyne creates an intriguing and engaging centrepiece in The Citadel ... Relentless pace ... An exciting and interesting read. I look forward to returning to Ruin, where there are plenty of stories waiting to be told' THE SUN 'High concept, debut conspiracy thrillers don't come with higher expectations than this. Hard to think of it as a debut, better to think of it as the beginning of a massive new adventure, and a so-long to Dan Brown' MIRROR

Relentless pace ! An exciting and interesting read. I look forward to returning to Ruin, where there are plenty of stories waiting to be told' THE SUN 'High concept, debut conspiracy thrillers don't come with higher expectations than this. Hard to think of it as a debut, better to think of it as the beginning of a massive new adventure, and a so-long to Dan Brown' MIRROR

From the Back Cover

A man climbs to the summit of the oldest inhabited place on earth, a mountain called the Citadel, a Vatican-like state that towers above the city of Ruin in Turkey. But this is no ordinary ascent. It is a symbolic act—and one that is witnessed by the world.

Few understand its consequence. But for Kathryn Mann, it's evidence that a revolution is coming. For the Sancti, the secretive monks who live inside the Citadel, it could mean the end of everything they have built. They will stop at nothing to keep what is theirs—even kill if they have to. For reporter Liv Adamsen, it spurs the memory of the brother she lost, setting her on a journey across the world and into the heart of her own identity.

There, she will make a discovery so shocking it will change everything . . .

Users Review

From reader reviews:

Mary Richie:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your spare time?
