By Chip Wood Yardsticks: Children in the Classroom Ages 4-14 : A Resource for Parents and Teachers (Expanded) By Chip Wood

Used Softcover published by Northeast Foundation For Children, MA., 2004, 204 pages. Book is in Very Good Condition with very minor wear, a nice clean copy with no marks, writing, rips, tears, creases, loose or bent pages.

"Yardsticks" is a terrific practical resource on child developmental stages. Author Wood offers clear and concise descriptions of the universal characteristics of children at different ages, a valuable resource in that alone for the teacher. I know that this was required reading for certification at one of the major Childcare organizations that I worked at and rightfully so, it is an outstanding book. No Childcare Center Library should be without this book and all childcare employees should be required to read it. We ship within 24 hours of your purchase with a Delivery Confirmation.
