The perfect examination guide for medical graduates undertaking postgraduate study in obstetrics and gynaecology Examination Obstetrics & Gynaecology, 3rd Edition is a rapid reference appropriate for daily use in a busy hospital ward, clinic or medical surgery. This practical exam guide is designed for medical graduates who have undertaken general hospital training and wish to commence postgraduate studies in obstetrics and gynaecology, including specialist trainees and General Practitioners. Examination Obstetrics & Gynaecology, 3rd Edition will also be a useful text for medical undergraduates, midwives and midwifery students. This latest edition is fully revised and updated and provides a summary of important and essential information key to women's health. The text builds upon resources developed during the authors' specialist training for Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG) qualifications, then refined by practical clinical experience. Examination Obstetrics & Gynaecology, 3rd Edition is organised in a convenient note and checklist format. It utilises a step-by-step guide to diagnosis, investigations and suggested treatments appropriate for primary consultation prior to specialist referral.

Why? Because this Examination Obstetrics & Gynaecology, 3e (The Examination Series) is an extraordinary book that the inside of the book is waiting for you to snap this but later it will zap you with the secret idea inside. Reading this book close to it was a fantastic author who all write the book in such an awesome way makes the content on the inside easier to understand, an entertaining method but still conveys the meaning fully. So, it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other books have got such as help improving your ability and your critical thinking means. So, still want to hold off having that book? If I were you I will go to the book store hurriedly.
