Excellence in Cross-Examination - With new Update By F. Lee Bailey, Kenneth J. Fishman

Now with a new 2014 updated supplement, Excellence in Cross-Examination provides a novel approach to teaching the necessary tools of effective cross-examination. Written by two masters of the courtroom, F. Lee Bailey and his former law partner, Massachusetts Superior Court Justice Kenneth J. Fishman, Excellence in Cross-Examination is an invaluable book for law students and seasoned trial lawyers alike. This book provides detailed insight into learning the tools necessary to become an effective cross-examiner, including Obtaining a command of the English language, Developing a superior memory, and understanding and manipulating the rules of evidence. The authors then teach the essentials of preparation for trial: Investigation and discovery. The principles and tools of cross-examination are thoroughly explained, and the art is brought to life with numerous examples of masterful cross-examinations, such as Bailey's cross of the coroner in the Sam Sheppard case and Roy Black's examination of the key witness in the William Kennedy Smith trial. Each example is accompanied by the authors expert insights into the reasons for their effectiveness, as well as helpful descriptions about the trials themselves. It is these real-life cross examinations that differentiate this book from others on the subject and make it of interest to readers far beyond the community of trial lawyers.

Editorial Review

Users Review

From reader reviews:

Philip Raber:

Book is usually written, printed, or outlined for everything. You can realize everything you want by a publication. Book has a different type. As we know that book is important issue to bring us around the world. Alongside that you can your reading ability was fluently. A guide Excellence in Cross-Examination - With new Update will make you to be smarter. You can feel more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It is far from make you fun. Why they might be thought like that? Have you looking for best book or acceptable book with you?

Warren Zeigler:

This Excellence in Cross-Examination - With new Update are usually reliable for you who want to certainly be a successful person, why. The reason of this Excellence in Cross-Examination - With new Update can be one of the great books you must have is giving you more than just simple reading food but feed you actually with information that probably will shock your earlier knowledge. This book is handy, you can bring it almost everywhere and whenever your conditions in the e-book and printed versions. Beside that this Excellence in Cross-Examination - With new Update forcing you to have an enormous of experience including rich vocabulary, giving you demo of critical thinking that we understand it useful in your day activity. So , let's have it and luxuriate in reading.

Terrie Anderson:

The reason why? Because this Excellence in Cross-Examination - With new Update is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

Judy Newberry:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we

know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Excellence in Cross-Examination - With new Update can make you really feel more interested to read.
