**Gandhi's Way: A Handbook of Conflict Resolution** By Mark Juergensmeyer

Gandhi's Way provides a primer of Mahatma Gandhi's principles of moral action and conflict resolution and offers a straightforward, step-by-step approach that can be used in any conflict—at home or in business; in local, national, or international arenas. This invaluable handbook, updated with a new preface and a new case study on terrorism in Northern Ireland, sets out Gandhi's basic methods and illustrates them with practical examples. Juergensmeyer shows how parties at odds can rise above a narrow view of self-interest to find resolutions that are satisfying and beneficial to all involved. He then pits Gandhi's ideas against those of other great social thinkers in a series of imaginary debates that challenge and clarify Gandhi's thinking on issues of violence, anger, and love. He also provides a Gandhian critique of Gandhi himself and offers viable solutions to some of the gaps in Gandhian theory.

***Gandhi's Way: A Handbook of Conflict Resolution*** was previously published as *Fighting with Gandhi* and *Fighting Fair*.

### Editorial Review

#### Review

"This is a manual of instruction in the best sense: a popular reassessment of the activist use of "satyagraha in conflict resolution that has depth and a true appreciation for the ethical subtleties of dialectical struggles, and for the multiple dimensions of 'passive resistance.'"--"Library Journal" A fascinating, thought-provoking, helpful, and heartening book."--Marjorie Lewellyn Marks, "Los Angeles Times" "Juergensmeyer's book is something of a Gandhian tour de force--a careful analysis and series of applications of Gandhi's concepts of "satyagraha...to everyday situations with which most Western readers are familiar."--Joe Elder, "Religious Studies Review" "A crisply written, cogently argued little manual exploring the practical implications of "satyagraha (truth force)."--"Kirkus Reviews"

#### From the Inside Flap

"A fascinating, thought-provoking, helpful and heartening book."—*Los Angeles Times*

"Juergensmeyer's book is something of a Gandhian tour de force — a careful analysis and series of applications of Gandhi's concepts of satyagraha ... to everyday situations with which most Western readers are familiar."—*Religious Studies Review*

"This is a manual of instruction in the best sense: a popular reassessment of the activist use of satyagraha in conflict resolution that has depth and a true appreciation for the ethical subtleties of dialectical struggles, and for the multiple dimensions of 'passive resistance.'"—*Library Journal*
