Editorial Review

From the Back Cover

Ezra Pound here recreates for the English-speaking world the great poetry of ancient China. The 305 odes of the Classic Anthology are the living tradition of Chinese poetry. Since the fifth century before Christ, they have been as familiar to literate Chinese as the Homeric poems were to the ancient Greeks. Indeed, Confucius held that no man was truly educated until he had studied the odes.

Users Review

From reader reviews:

Alma Rasmussen:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite publication and reading a reserve.
