Art History Portable Book 1 (5th Edition) By Marilyn Stokstad, Michael Cothren

The most student-friendly, contextual, and inclusive survey is now personalized, digital, and mobile for today's students.

Art History 5th edition continues to balance formal analysis with contextual art history in order to engage a diverse student audience. Authors Marilyn Stokstad and Michael Cothren—both scholars as well as teachers—share a common vision that survey courses should be filled with as much enjoyment as learning, and that they should foster an enthusiastic, as well as an educated, public for the visual arts.

This revision is the strongest and most comprehensive learning program for measuring student progress and improving student success in attaining the outcomes and goals of the art history survey course. Not only does the text address four overarching goals of the survey course, the new MyArtsLab further develops and reinforces these outcomes and skills with market-leading learning tools such as personalized study plans for each student and multimedia assets geared towards addressing different learning styles and abilities, such as chapter audio, student videos, Closer Looks, architectural panoramas and much more. The end result is a complete learning program designed to increase students' success with a personalized, digital and a highly mobile learning experience.

Michael W. Cothren is Scheuer Family Professor of Humanities and Chair of the Department of Art at Swarthmore College, where he has also served as Coordinator of Medieval Studies and Chair of the Humanities Division. Since arriving at Swarthmore in 1978, he has taught specialized courses on Medieval, Roman, and Islamic art and architecture, as well as seminars on visual narrative and on theory and method, but he particularly enjoys teaching the survey to Swarthmore beginners. His research and publications focus on French Gothic art and architecture, most recently in a book on the stained glass of Beauvais Cathedral entitled *Picturing the Celestial City*. Michael is a consultative curator at the Glencairn Museum in Bryn Athyn, Pennsylvania. He has served on the board of the International Center of Medieval Art and as President both of the American Committee of the International Corpus Vitrearum and of his local school board. When not teaching, writing, or pursuing art historical research, you can find him hiking in the red rocks around Sedona, Arizona.
