Behind the Bar: Inside the Paralegal Profession By Catherine Astl

What is it really like to work as a paralegal? Will I like working for a law firm and lawyers? What, exactly, does a paralegal do? And what does "assist lawyers" truly mean? Can you tell me about some real-life experiences? Which area of law is right for my personality? Lots of books tell me to, "be organized," but can you give me real specifics? How can I stand out from the rest and be excellent at this career? The answers to these questions, in depth and straight from the inside, are finally here. Reading like a novel, readers are truly transported "Behind the Bar"-- deep inside the field of paralegalism and into the author's own career, woven with useful tips and information. The book discusses the history and future of the profession, education requirements, the work of paralegals in different areas of law, the author's actual experiences and useful resources for the reader. The author also outlines qualities personified and sought after in legal assistants and what readers can do to achieve the same level of distinction.

Users Review

From reader reviews:

Francis Dawson:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is in the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Behind the Bar: Inside the Paralegal Profession as your daily resource information.

Donald Hidalgo:

Playing with family in a very park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Behind the Bar: Inside the Paralegal Profession, you can enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its known as reading friends.

Lavonne Ouellette:

Reading a book for being new life style in this calendar year; every people loves to examine a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and soon. The Behind the Bar: Inside the Paralegal Profession offer you a new experience in studying a book.

Jerry Bell:

With this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple method to have that.
