Defining Moments: The Civil War By George Grant, Michael Swift

The Civil War—like all civil wars—was divisive, costly, and savage. More Americans died in this war than in World War I and World War II combined. Brother was pitted against brother and neighbor against neighbor. There are no civilians in a civil war and both sides' scorched earth policies meant that there were significant noncombatant casualties.

The Civil War was a defining moment in the history of the United States. It showed that the fragile union of colonies on the eastern seaboard of America, a disparate people in a rugged land, would not be allowed to break up, that it was indivisible and would remain a nation. Indeed, within a century of the Civil War, the United States would be the strongest nation on earth. The war also showed the world that the anathema of slavery would not be allowed to continue, that America was free and would be a champion of freedom. But although these high-minded principles played their part in the justification for war, they were not the main reason for it. The underlying causes of the war were the economic and societal differences between the industrial North, crowded with immigrants, pushing the westward boundaries of the country, and the Southern states, whose static society was based on plantations run by slave labor. The Civil War pitted two ways of life against each other: both sides were fighting for survival, knowing that the winner would take all.

Defining Moments: The Civil War looks at the key events of the war, explaining them with contemporary material—photographs, maps, documents, and illustrations.

Users Review

From reader reviews:

Brian Bottoms:

Book is to be different for every single grade. Book for children until finally adult are different content. As it is known to us that book is very important for people. The book Defining Moments: The Civil War had been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The publication Defining Moments: The Civil War is not only giving you a lot more new information but also being your friend when you feel bored. You can spend your current spend time to read your e-book. Try to make relationship with the book Defining Moments: The Civil War. You never feel lose out for everything when you read some books.

Kathleen Allen:

This Defining Moments: The Civil War are generally reliable for you who want to be considered a successful person, why. The main reason of this Defining Moments: The Civil War can be on the list of great books you must have will be giving you more than just simple looking at food but feed anyone with information that perhaps will shock your prior knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in the e-book and printed types. Beside that this Defining Moments: The Civil War forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day pastime. So , let's have it and luxuriate in reading.

Beth Stewart:

This Defining Moments: The Civil War is great reserve for you because the content that is full of information for you who have always deal with world and still have to make decision every minute. This specific book reveal it details accurately using great manage word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having Defining Moments: The Civil War in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen minute right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that will?

Nicholas Gober:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for

you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Defining Moments: The Civil War can make you truly feel more interested to read.
