Editorial Review

From Publishers Weekly

Colorado caterer Goldy Schulz doesn't have a moment to spare as she frantically tries to pull everything together for two upcoming wedding receptions, including last-minute venue and menu changes from a spoiled bridezilla, in bestseller Davidson's entertaining 15th culinary suspense novel (after *Sweet Revenge*). When Harold Doc Finn, Aspen Meadow's beloved retired doctor, dies under mysterious circumstances on his way to the first wedding ceremony, Goldy wonders if it was an accident or murder. When her godfather and Doc Finn's good friend, Jack Carmichael, is also attacked, it's obvious that Goldy will have to venture out of the kitchen and put her detecting skills to use once again. Stir in a slimy spa owner, rumors of a malpractice suit and the usual cast of supporting characters—including Goldy's patient cop husband, Tom, and her capable culinary assistant, Julian Teller—and you've got another winning entry in Davidson's mouthwatering series. *6-city author tour. From the Back Cover

Colorado caterer Goldy Schulz encounters bridezilla—and murder—in another delectable novel by the *New York Times* bestselling author of *Sweet Revenge*, *Dark Tort*, and *Double Shot*.

It's been a long, rainy summer for Goldy Schulz, who is engaged in planning wedding receptions for what seems to be all of Aspen Meadow. It's bad enough that Billie Attenborough, the bride from hell, wants to move the location to the Gold Gulch Spa just a scant two days before tying the knot to her doctor fiancé. Then Doc Finn, best friend of Goldy's godfather Jack, is killed when his car tumbles into a ravine. But Jack thinks Doc was murdered because of research he was doing at the spa—allegations that are confirmed when Jack himself is attacked.

So Goldy dons chef's whites and goes undercover at the spa. Add in the obstreperous owner, who years ago tried to sabotage Goldy's fledgling business, and she's got her hands full.

Above all, there seems to be a clever killer on the spa grounds, watching her every move. After what befell Jack, Goldy knows that she might be next. Catering weddings, and cooking low-fat food, could be killing her—literally.
