Lessons of a Lifetime, Volume I By Jim Rohn, Darren Hardy

Jim Rohn and Darren Hardy discuss key principles for success in business and life. In 1991, Grammy Award-winning singer Natalie Cole famously released the song Unforgettable, an imaginative duet with her late father, legendary jazz crooner Nat King Cole. The recording introduced the brilliance of her father's work to a new and receptive audience. Now, SUCCESS magazine publisher and best-selling author Darren Hardy has recorded this extraordinary conversation with his late mentor, personal achievement legend Jim Rohn. Lessons of a Lifetime is composed of excerpts assembled from a vast inventory of Jim's seminars and exclusive one-on-one interviews. This first volume in a planned set presents a remarkable opportunity for Rohn fans, and those just being introduced, to discover his most important business and life lessons. Subjects discussed include: - Surviving economic hardship - A plan for financial independence - The importance of personal development - Starting small and being faithful to your goals - Overcoming self-doubt and missteps - Learning from both the positive and the negative - And much more! Jim shares with Darren his thoughts on today's cultural climate while relating stories about how he began his personal success journey and the lessons he learned from his successes and his failures. Plus, he talks about the importance of bringing value to the marketplace and how his mentor, Earl Shoaff, inspired him to refine his philosophies about wealth and personal development. Darren Hardy carries the torch of Jim's ideas and philosophies forward in the hope that you are not only inspired to see a bigger version of yourself than ever seemed possible but that he and Jim can play a very tangible role in helping you craft an exceptional life and lifestyle for yourself. You'll learn many of the ways that Darren has used Jim's philosophies in his own personal growth and success and how they might work for you! Lessons of a Lifetime comes packaged in a beautiful case whose cover material combines the luxury of suede and the richness of velvet. The silver foil lettering adds to the unique keepsake quality of this timeless product. You'll be proud to display it on your desk or personal development shelf! Audio CD (75 minutes)
